LOCAL NEWS.

W. W. Pace, a prominent citizen of Nutrisco, spent two or three days in the city since our last issue.

Osmond Flake, of Snowflake, spent two or three days at the county seat since our last publication.

Remember that next Saturday evening the Democracy of this precinct will hold a primary to select four delegates to attend the county convention.

Joe Clawson, liveryman from Holbrook, got into St. Johns on Tuesday last, with a traveling salesman for a wholesale boot and shoe house of San Francisco.

It is rumored that our worthy fellow-townsmen, W. C. Davis, has struck a very promising silver lead, some ten or twelve miles south of St. Johns. Hope it may prove another Comstock.

District Attorney Bunch has some ore which he says is tin, and which he picked up south of town. Trust he may find the lead, and that it may not prove another Temescal.

Uncle Ike Perkins (better known as The Kid) came down last Saturday from his summer residence in the White Mountains. Uncle Ike is better off, so far as comfortable living is concerned, than a majority of our people, as he maintains a winter and summer place of habitation.

Prime Coleman, Jr., and George Crosby, Jr., both of Springerville, spent two or three days at the county seat. The first named recently returned from a trip to England and the latter from two years' sojourn in Utah attending school.

L. W. Davis who was convicted of murder in this county in 1888, and sentenced to twenty-five years' imprisonment has had his sentence commuted to six years by the prison commission, on a petition signed by ex-Chief Justice Wright, all the county officials and a large number of our citizens.

Don Tomas Perez and Don Alejandro Peralta started for San Francisco last Tuesday morning. Mr. Perez has gone to consult the board of physicians at the German Hospital in that city as to the advisability of removing a tumor which has been growing in his abdomen for a number of years, and which has caused him a great deal of suffering. We sincerely hope he may be able to obtain relief and return home a sound man.

Delegates who may be selected to attend the Democratic County Convention at Winslow on the 19th inst., must bear in mind the fact that in order to be in time for the opening of the convention they must be in Holbrook on Sunday the 18th in time to catch the west-bound train. Delegates from the south end of the county can stop in Woodruff on Saturday night and catch the train by starting early Sunday morning.

In selecting delegates the Democrats of the various precincts should pick out liberal, broad-minded men, who are capable of laying aside personal feeling and prejudice, and working for the good and interest of the party. Do this and victory is assured. Political conventions are not the places to let personal enmities cut any figure. All such feelings should be left at home.

Mrs. Million's Ride.

When Mrs. Million goes to ride she travels forth in state,
Her horses, full of fire and pride, go prancing from the gate;
But all the beauties of the day she views with languid eye,
Her flesh in weakness wastes away, her voice is but a sigh.

For Mrs. Million is in an advanced stage of catarrh, and all the luxuries that wealth can buy fail to give her comfort. She envies her rosy waiting-maid, and would give all her riches for that young woman's pure breath and blooming health. Now, if some true and disinterested friend would advise Mrs. Million of the wonderful merits of Dr.

Sage's Catarrh Remedy, she would learn that her case is not past help. \$500 reward is offered by the manufacturers for a case of catarrh in the head which they cannot cure.

Under-Sheriff Nelson and Capt. John T. Hogue started for Prescott on Monday morning last to represent Apache county in the Territorial Republican Convention. Never heard either of them express a preference for a candidate for delegate to congress, but believe if they were to consult their personal feelings Gov. Murphy would receive their support. Gov. Murphy, however, is too astute a politician, we think, to accept the nomination, as it would involve considerable hard work, an outlay of some money, and in the end prove to be "love's labor lost."

Dr. Drummond's Lightning Remedy for Rheumatism has received the unqualified endorsement of the medical faculty as being a safe and remarkably efficient preparation for the relief and speedy cure of Rheumatism. Its work is so speedy and miraculous that benefit is felt from the first dose, and one bottle is warranted to cure any ordinary case. Sold by druggists. Price \$5 for large bottle, or sent by prepaid express on receipt of price by Drummond Medicine Co., 48-50 Maiden Lane, New York. Agents wanted.

The following letter explains itself: I am desirous of securing co-operation with my efforts toward the enlargement and improvement of the Territorial Prison Library, and to this end request that you forward to me per Wells Fargo Express Co., any contributions of money, books, magazines or newspapers which may be left with you.

The Library at present is a small one, but such as it is, is largely patronized by the inmates and to their great advantage, and in many cases to the amelioration of their present and probably their future condition in life. To this end I invite your co-operation. Wells Fargo Express Co. have kindly consented to forward, free of charge, any books or other reading matter sent to the Prison Library, and I would therefore ask that all contributions be expressed to me at Yuma.

ALICE MCINERNEY.
Any contributions which our citizens may be willing to make to this laudable purpose, can be left at THE HERALD office, and we will see that they are forwarded.

BOARD OF SUPERVISORS.

August 22, 1892.—The Board of Equalization met at 10 o'clock a. m.

Present—Will C. Barnes and William Morgan; absent, F. T. La Prade.

The minutes of the meetings held in July were read and approved.
Messrs. Jesse N. Smith and John H. Willis appeared before the Board in behalf of the people of Snowflake, who protested against the high price set upon the land owned by the citizens of Snowflake. The matter was considered and the value placed as follows: First-class land \$20, 2d \$10 and 3rd at \$3 per acre.

The following reductions were then made from the assessment roll: Maroni Adair 6 horses, O. H. Ballard \$139 and Flake Bros \$25 on land, A. J. Lundquist \$30 on horses, A. Larson \$50, A. L. Rogers \$102, Rogers Bros \$141, J. N. Smith \$100 on land, Snowflake tannery \$200, J. A. West \$170, L. J. Willis \$120, John Hatch \$70 on land, Pat Trainor \$150 on cattle, H. Territorial tax.....\$0 on each \$100
County Schools......50 " "

Total tax 3 1/2 per cent. Adjourned till 10 a. m. to-morrow.

August 23, 1892.—The Board met pursuant to adjournment.

Present Barnes and Morgan, absent La Prade. Will C. Barnes acting chairman pro tem.

This being the time appointed to consider the matter of the petition for a change of road at Nutrisco, both the petition and the remonstrance which have been filed in this office were considered by the Board. It appearing that to change the present road in Nutrisco valley would be of no benefit to the residents thereof, or the traveling public, the change was prayed for was refused.

The Board opened the bids which were invited for platting the townships of Apache county, but no action was taken. The Board adjourned till the 29th instant.

August 29th, 1892.—The Board met at 2 p. m. Present Will C. Barnes and Wm. Morgan, absent F. T. La Prade. The Board decided to leave the matter

Right or Wrong.

Which will ye have? It does seem as if some folks prefer to have the last condition of the liver rather than the first. They perpetually dose themselves with purgatives totally without virtue as alternative of liver trouble. Hostetter's Stomach Bitters is the successful candidate for the people's choice, and yet, popular and well known as it is, there are unfortunates who keep on trying the drastic remedies of former days. It is to the intelligent portion of the public that the well known and long tried properties of the Bitters appeal. Reason should be guided by experience in the matter of medication. "The best guide to our feet is the lamp of experience," said a great patriot of the early revolutionary period, and the exclamation is pregnant with truth. For over a third of a century the Bitters daily has met with the endorsement of people suffering from liver complaint, malaria, constipation, rheumatism, debility and troubles accompanied by dyspepsia. Latterly it has declared itself and been thoroughly approved as a remedy for "la grippe."
